Re: Information you faxed to Bob Steele, April 18, 2000, about the Nephi Gypsum Quarry.

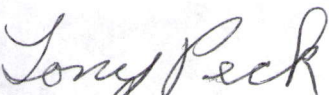

Dear Mr Hedberg,

Bob Steele, my partner, gave me these papers that you faxed to him on the eighteenth of April, and told me to get the information on the increase of the bond from First Security showing the amount increased to \$36,000, and also showing that it is in my name and not Thomas J. Peck and Sons. On your cover sheet that you sent him it says that the permit is still under Tony Peck & Sons, this is an error as there is no such company.

Bob does all the paperwork, so I don't have all the information on the Nephi Gypsum Quarry that you requested on your letter dated March 22, 2000, and Bob is out of town today.

We will be happy to meet with you any time, at your convenience.

Sincerely,

  
Tony Peck
